

CENTRAL BOARD MINUTES
February 28, 1950

The meeting was called to order by John Holding. The minutes of the previous meeting were read and approved.

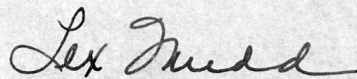

Bergh presented the recommendation from Publications Board that the following appointments be approved: Don Graff as Kaimin editor, and Ward Fanning as Kaimin business manager. Fox moved that Central Board accept the above recommendation. Hennessy seconded the motion. Carried.

Freeman brought up the question of activity cards for foreign exchange students on campus. According to the minutes of October 4, 1949 the motion was made and carried that eight foreign students be given activity cards, but it did not stipulate for how many quarters. Central Board members expressed themselves in favor of granting activity cards through the year; Freeman will present the names of exchange students who will need activity cards for spring quarter.

The secretary mentioned that the motion of March 9, 1948 and March 8, 1949 raising the salaries of the Kaimin staff were temporary arrangements, but that the increased salaries are printed in the "M" book without such notation. Freeman stated that the Kaimin will have an estimated additional overhead of about \$1200. next year. Salaries in the print shop are expected to rise also, while Kaimin revenue will probably remain static. The only Kaimin expense item which can be cut is salary. Holding asked the Board to consider the matter until next week.

Hennessy reported that the Outside Entertainment Committee has not funds to import good entertainment next quarter. The Social Committee will write to get information on entertainment which may be coming through this area.

The meeting was then adjourned.
